INVESTMENT OVERVIEW

Marcus and Millichap is pleased to present a five (5) unit apartment building located at 931 Everett St in Los Angeles, California. The subject property is located in a great Echo Park location, just off of Sunset Blvd along Everett St.

Echo Park is one of Los Angeles' most dynamic and evolving multifamily submarkets, known for its blend of historic charm, creative energy, and central location just northwest of Downtown LA. The neighborhood attracts a diverse renter base of young professionals, creatives, and long-term residents, supported by strong demand for character-rich housing and proximity to major employment hubs. Echo Park Lake serves as a central lifestyle amenity, complemented by a vibrant retail and dining scene along Sunset Blvd featuring local favorites, cafes, and nightlife. The area offers convenient access to the 101 and 110 Freeways, as well as nearby neighborhoods including Silver Lake, Chinatown, and DTLA. With limited new construction relative to surrounding areas and continued demand for well-located assets, Echo Park maintains solid occupancy levels and long-term rental growth potential.

Located in a prime Echo Park setting, the property features a desirable unit mix of four one-bedroom units in the front fourplex and one standalone three-bedroom home with a basement that can be used as an office or storage. Interiors showcase classic craftsman character with high-end finishes, complemented by hardwood floors, central HVAC, and in-unit washers and dryers. Recent upgrades include new electrical and plumbing systems, as well as a reinforced foundation. Units are spacious, with select layouts offering flexible dining areas with pull-out beds. In addition, the property is separately metered for gas and electricity. Ideally positioned with dominant access to Sunset Blvd, Echo Park Ave, and Temple St, the asset also offers immediate connectivity to the 101 and 110 Freeways. Surrounded by major developments, retail, dining, and Echo Park Lake, the location provides strong long-term investment appeal.

NEARBY DEVELOPMENT

Sunset + Everett

A TRANSFORMATIONAL MIXED-USE DEVELOPMENT IN THE HEART OF ECHO PARK

The Los Angeles City Council has voted to uphold the approval of a proposed mixed-use development on Sunset Boulevard in Echo Park, rejecting an appeal which sought to block the project's construction.

The Sunset + Everett development, a project from Aragon Properties, is slated for a site that spans from 1185 to 1247 Sunset Boulevard. Plans call for the construction of two seven-story buildings featuring a combined 327 studio, one, two-, and three-bedroom apartments above 9,462 square feet of ground-floor commercial space and parking for 263 vehicles. Project approvals granted by the Planning Commission include density bonus incentives to allow larger development than zoning rules would normally permit. In exchange, Aragon has agreed to set aside 41 of the new apartments as deed-restricted very low-income affordable housing.

KTGY is designing Sunset + Everett, which would have a modulated form, using setbacks and insets to create balconies and terrace decks for residents. Plans call for amenities including a fitness room, a community room, and a lounge.

- 327 RESIDENTIAL UNITS
- 9,462 SF GROUND-FLOOR COMMERCIAL SPACE
